Knitting Instructions

Materials needed:

#13 Knitting needles

3 skeins Lion Brand Homespun yarn

Cast on 57 stitches

Can either knit every stitch or do a pattern of knit 3, purl 3 across each row.

When 2 skeins of the yarn have been used, cut lengths (each length can be 10" or 12" long - it is then doubled for the fringe) of yarn from the third skein to make the fringe.

When enough lengths of yarn have been cut for the fringe, finish knitting with the third skein of yarn.
